Traces 2002

The senior class would like to dedicate our yearbook to the men and women who served our country after the tragic events on September 11, 2001. They are truly heroes.

Fernanda Leitao (Brazil), Ricki Koch (Germany)

Being an exchange student...a journey that I'm sure will bring a lot of good things to me. At first I didn't expect a lot of things, because I just didn't want to expect too much. But being on Fermi is the "too much" that any exchange student could ever expect. You are a WONDERFUL school that made me feel home. From the students to Mr. Newton-I must say a really good person and principal. I just couldn't thank all that I want to you, but here it goes: THANK YOU ALL who made us so happy!

Fernanda Leitao

Being an exchange student is the best. You are the new kid in school, but I didn't feel like that, because everyone has been so nice and friendly to me. It has been fun, but also challenging to explore a whole new way of living, and a totally different school system than I am used to. I hope you'll all keep up the good attitude you've all showed me. Thank you all for being so nice to me.

Merle Banggaard

Class of 2002,

At the beginning of freshmen year many of my teachers said that four years would fly by, but I didn't believe them. Now here we are four years later, and I can admit that I was wrong; the past four years have flown by. When we entered Fermi High School in our freshman year, our purpose was to learn. Of course, there was much to be learned in the classroom, however, there was just as much to be learned outside. Fermi has taught us so much more than reading and writing, it has taught us to make the most of life.

Over the course of four years we've blossomed into young adults. We have met some of our best friends. Also, at a relatively young age, we have experienced some of the best and some of the worst that the world has to offer. By the good experiences, I mean the classes, dances, proms, sporting events, and spending memorable times with our friends. But we have had bad experiences as well. I am talking about the tragic events that took place on September 11, 2001. The whole nation, including our community at Fermi, was shaken by the tragedy. All of us were in shock, but by looking to one another for support we pulled through it, together. Our exemplary show of pride, unity, and patriotism demonstrates that we cannot be broken.

Once again we find ourselves in the same situation that we were in four short years ago, stepping into yet another new and exciting world. This time though, we have experience on our side. The lessons we have learned through each other, through our teachers and through our life lessons will no doubt carry us into this new world. It is important that we never forget one another, because as we have learned, we can get through the most difficult times, only by working together. I have enjoyed being your class president, and I wish you all the best of luck in the years that follow.

Sincerely,

David W. Kiner

Senior Class President

To the Class of 2002:

I am sure that for most of you it seems like only yesterday that you entered Enrico Fermi High School as wide-eyed freshmen. You were filled with so many questions, thoughts, and trepidation. You were unsure about what would happen over the next four years of your lives. Each of you brought your own unique talents, ideas, and ambitions. Now, four years later, you are ready to leave. You are much wiser, more confident, and better prepared to take on the demands of the world. We have seen your talents blossom in the classrooms, in the theatre, in musical productions, and on the athletic fields. You have blended together to form a very strong and positive identity for yourselves. You are the class of 2002. You are a wonderful group of young people to face all of the challenges that the world outside of Fermi has to offer. You will be pursuing careers and education across this great country of ours. I only ask that you take time to remember and reflect on your time here at Fermi. I sincerely hope that these four years were some of the best years of your lives. I wish you all the best in everything that you do. More than anything else, REMEMBER, that you will always be part of our Enrico Fermi High School family and you will always be welcome in our halls and our hearts. Good luck to each and every one of you!

Sincerely,

Paul K. Newton

Administration

Mrs. Sandra Brassard

Dear Class of 2002,

I would like to take this wonderful opportunity to let you know how proud I am of you and the work and efforts you put into your years here at Enrico Fermi High School. Ever since your freshmen year, you have continually set a very positive example for other classes to follow. In so many ways, I have felt very privileged to be your assistant principal, and I have great confidence in your ability to do your best in your future endeavors.

With my warmest wishes,

Sandra Brassard

Speaking of Life...

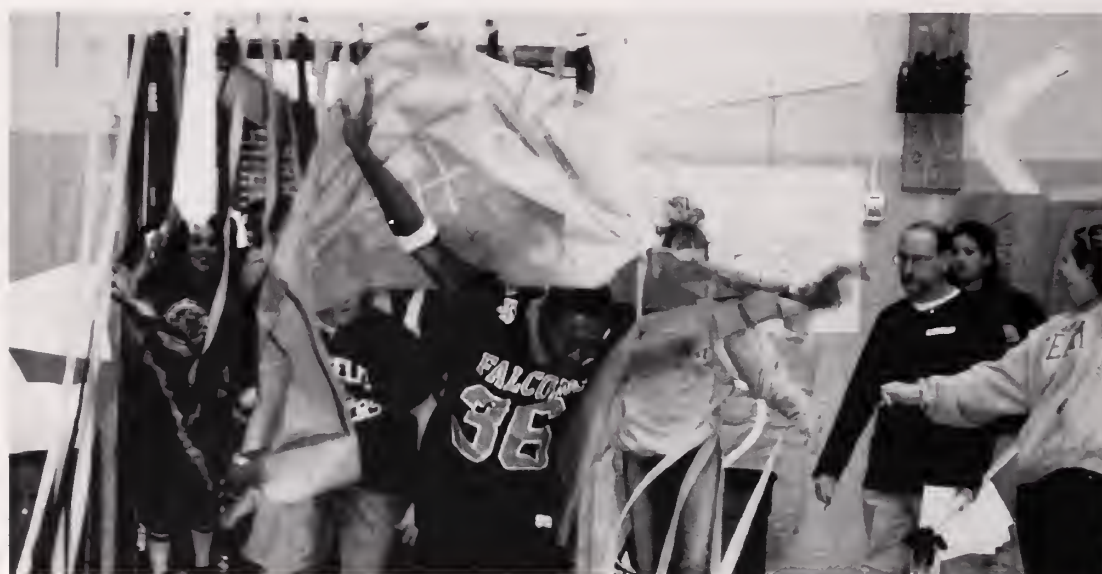

Enrico Fermi Turns 100!

On September 29, 2001, the students and staff of Enrico Fermi High School celebrated Enrico Fermi's 100th birthday with food, music, a dedication, and demonstrations. As we gathered onto the bleachers of the football field, no one could have known that we would have learned as much and be as interested as we were. From Mr. Reveruzzi's speech, to the shows put on by Mr. Cherry and Mr. Depino (accompanied by selected students), the only high school in the nation to be named after the renowned physicist, remembered Enrico Fermi with a great deal of fun and respect.

On Wednesday November 21, Fermi held our annual pep rally. This year's spirit stick was won by the senior class, as always. All fall sport captains showed their pride and support for the football team that went on to win the cup back from Enfield High during the Thanksgiving Day Game.

On Friday,
February 15 and
Saturday,
February 16,
Fermi faculty and
students displayed
their many
unique abilities at
our 2nd annual
Talent Show.
The auditorium
sold out both
nights with the
profits going to
the senior class.

The swim team had a really great season last fall. We sent seven people to the states and had three relays final in the top sixteen at the class-L championships. We finished the season with a 7-5-1 record which was impressive considering the number of swimmers we've lost over the past couple of years. The six graduating seniors would like to wish next year's team good luck.

Our 2001 season was the best ever. We met the goals we all set for ourselves and our team. Our biggest goal-which was met-was to make states, and we did that with ease. Our season ended with a record of 8-4-2. This was one more win than last year. As captains, we would like to thank our coach, Amy Romano, and all of our teammates. We will miss all the girls next year and wish them all luck in their future field hockey careers. Your Captains,
Stacey Alimberti & Kristin Arslan

This was a learning and growing year for both squads. With our hard work, determination, and ability to have a whole lot of fun, we became a very strong team. The key to our success was when we learned to work more as a group, and less as individuals. We'd like to thank our coaches and teammates for such a great season. Best of luck to next year's team!

Despite several changes that occurred at the beginning of the season, we were off to a positive start. Winning the "Most Improved Squad" and "Leadership" awards at camp was such a great accomplishment for a new team. Many of us also achieved personal goals in cheering, stunting, and even learning to get along with each other. What an interesting and eventful year it's been. Best wishes to the departing seniors.

"Most fun I've had coaching in years"-Coach Walter Sullivan

Our team had an amazing season overall. The boys finished 7-8, and the girls 5-10. Mike T., our track star, finished 18th at the State Open. Everybody competed well. Thanks to our motivating coach, Mr. Sullivan. Each individual brought something unique and special to our team. We will always remember playing our unforgettably intense card games, Fig and Setback, during the bus rides before and after meets and even during our 5 mile practice runs after school. This was by far the most memorable season ever.

This year our team faced a tremendous amount of obstacles. We started off our season by losing 4 starters, 3 due to broken legs, and lost our All-Conference sweeper when he transferred to Loomis Chafe, as well as rebuilding our team from the loss of an additional 13 Seniors that played in '00 season. Despite an unlucky start, our team was blessed with a tremendous amount of heart and desire as we finished our season 1 game short of making the state tournament. This year's seniors left the team with the experience and confidence for next year's squad to become a perennial powerhouse coming into the 2002 season. Good luck!

Football

As co-captains of the football team we would like to take this time to say thank you to our fans. We couldn't have made this season half way decent if it wasn't for you. We unfortunately started off 0 and 4, but completely made a 360° turn around to end up 4 and 6. We also ended up with the 3rd best defense in our division, and honored 5 All-Conference players. Hopefully the underclassmen can build off of this and make a run for the CCC East title next year. Good luck fellas- work hard in the off season!!

Your Captains-

Nick Coleman, James Herrick, Jeff VanGilder, and Leo Burke

Boys Swimming

The Fermi swim team had a really good season. Even though we were outnumbered by many teams, we still managed to win meets. I'm proud of our team and all of our accomplishments this year. Everyone worked really hard from the beginning till the end of the season.

Under the leadership of captains Eric Willard and Amanda Bennett the indoor track team prospered. Anna Vannucci broke the school record in the 300 meter and was a member of the 4x400 along with Merle Banggaard, Jess Schools, and Liz Morin. The men's sprint medley team, made up of Eric Willard, Kevin Cremona, Rom Cabeza, and Steve Bartus, got the all-conference nod and finished in the top ten in the state. At the state meet Eric Willard ran a spectacular 400 meter split pacing the team. Over-all it was a great season. Good Luck to next year's team!

Your captians,
Amanda Bennett and Eric Willard

SALUTE

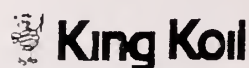

**The graduates of the
Class of 2002**

Congratulations Seniors!

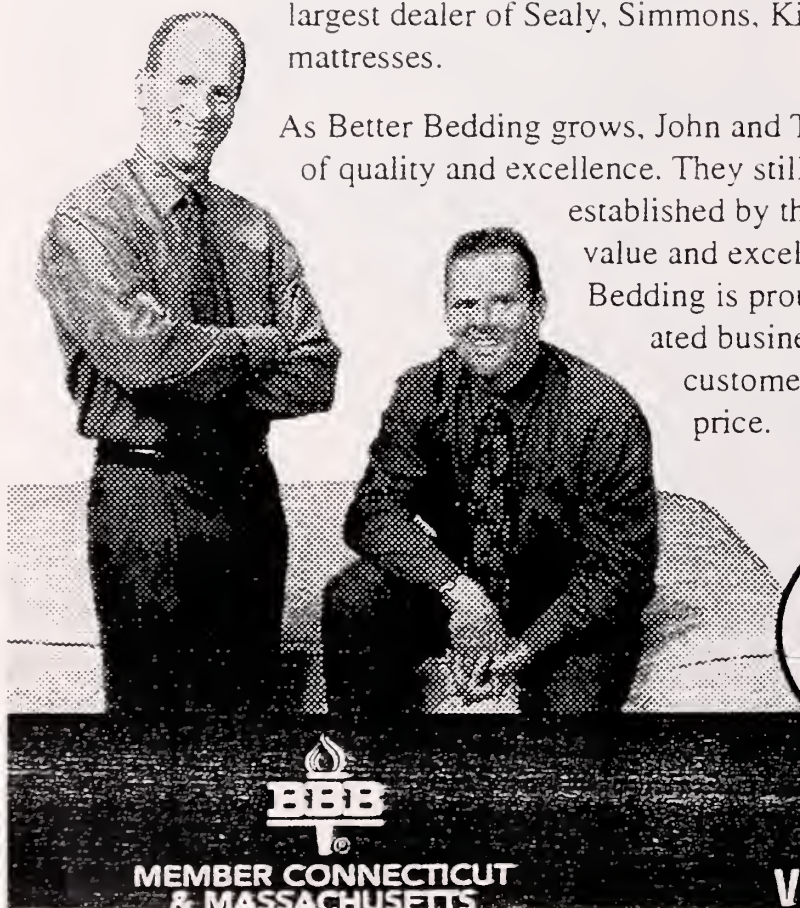

Finding a good night's sleep just got easier.

In 1976, John T. Wholley, Sr. drew on his thirty years of experience in the bedding industry to found Better Bedding. His two sons, John, Jr. and Tom, joined him in the family business a few years later.

Better Bedding's highly-trained sales staff and top quality products ensure that customers always get the right bed at the right price. Better Bedding is Connecticut's largest dealer of Sealy, Simmons, King Koil, and Stearns & Foster mattresses.

As Better Bedding grows, John and Tom continue to set high standards of quality and excellence. They still operate under the principles established by their father: incomparable product value and excellent customer service. Better Bedding is proud to be a family-owned and operated business with one simple focus: give the customer a better night's sleep at a better price.

On December 8, 2001, the junior and senior girls battled it out at the annual powder puff football game. Because of their fine coaching skills, Levi Peter and Eric Willard led the seniors to a 30-6 victory over the juniors. Dave Kiner and Rory McGloin did a great job refing the game. Despite the cold temperatures outside, the game was a lot of fun for both the players and the fans.

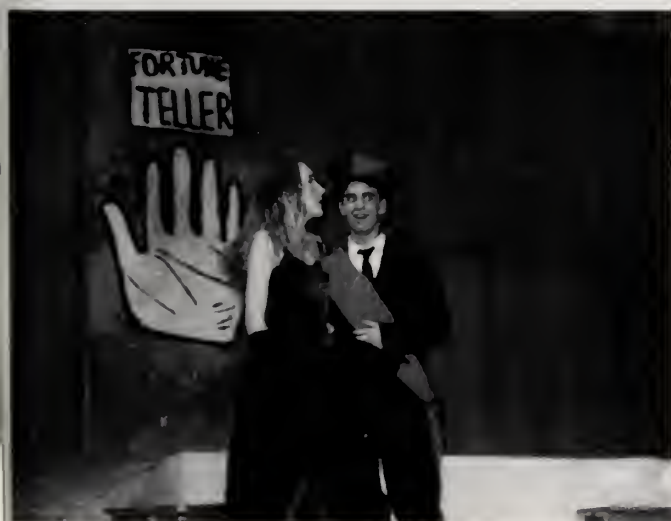

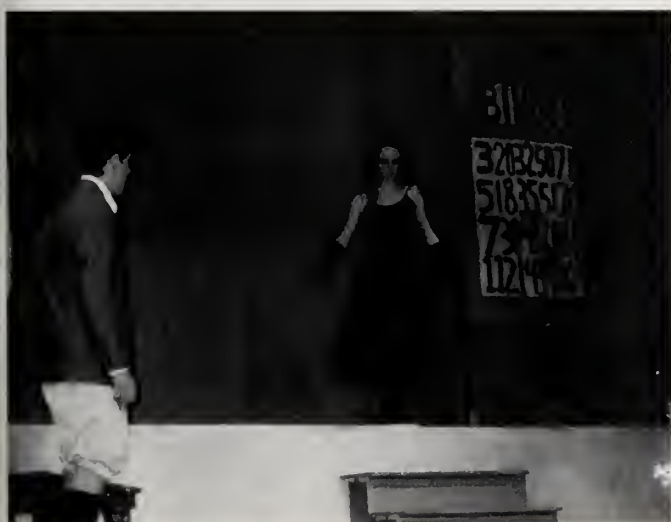

Cultural Assembly

On Tuesday, March 5, 2002, lamplighters gave everyone a chance to see a sneak preview of the play, The Skin of Our Teeth, at the annual cultural assembly. Also featured were some of our favorite acts from the talent show.

DECA Competition

During this past year, the DECA students showed Fermi what marketing is all about. Four students, Elizabeth Arietti, David Cawley, Nick Cianci, and Brittany Jasiulevicius placed during this year's state DECA conference. Also eleven more students, Mary Greene, Courtney Holloway, Autumn Allard, Caitlin Arslan, Kellie Cunningham, Rory McGloin, Megan Garrity, Melissa Martin, Kathleen Dooley, Kara Dickinson, and Abby Duncan all placed either first or second in the state. These students will be competing in Salt Lake City in April. Congratulations to all participants!

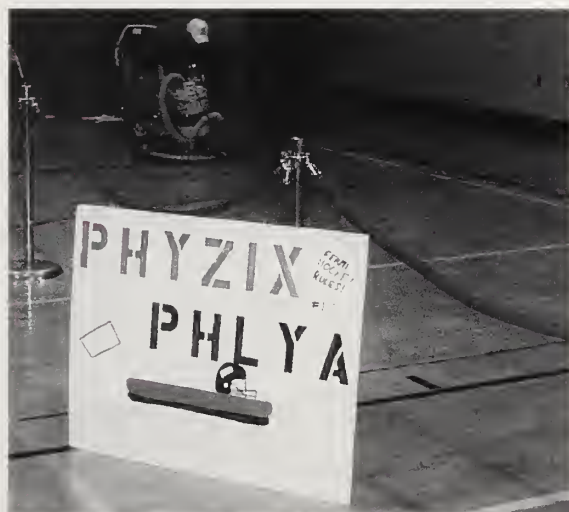

Family Science Night

Family Science Night included many different stations from the chemistry, physics, and biology departments.

Some of the stations in the gym included vacuum packing, slime and gak, UV beads, hover craft rides, and a static electricity machine that would make all your hair stand on end! Other attractions included buzz the robot in the cafeteria, mini-copter races in the library, and plants and microorganisms in the science wing. There were about 1000 visitors roaming our halls that night and it was great fun! Thanks to Mr. Cherry, Mr. Depino, and Mr. Rago for all their help!

Friendship is the hardest thing in the world to explain.
It's not something you learn in school.

But if you haven't learned the meaning of friendship you really haven't learned anything. -Muhammad Ali

Yearbook

June already!!! It was just yesterday that we were walking into the halls of Fermi High as timid and shy freshmen...Now we walk out as strong and confident young adults.

When we took on the responsibility of preserving the many memories we've made here at Fermi, we never knew it would be this much fun...or this much work!

We would like to thank our wonderful staff for all their hard work and dedication. Without them we would not have the successful yearbook we do. And a very special thanks to our yearbook advisors, Mrs. Robin Bertrand and Mrs. Sheri Amara. They are the foundation on which this book was built.

Congratulations and Good Luck

To the Class of 2002!

For Mrs. Creedon
You gave birth to me, Mother Bird
You taught me to fly
But I had trouble trying to do this
I said I couldn't do it
But you believed in me and said don't give up
And you know what happened? I did learn to fly
Thank you mother bird I can fly now
And go on with my life
I'll never forget the one who taught me how to fly

v2002

< Stealing much of the headlines were the events on and after Sept. 11th. More than 3,000 people lost their lives at the twin towers of the World Trade Center, the Pentagon and aboard the four hijacked commercial airliners. Also getting the spotlight were the rescue workers and volunteers who were recognized by all Americans as heroes. Sadly, it also marked the end of R&B sensation Aaliyah, another one of the Beatles' fab four,

George Harrison, and legendary comedian, Jack Lemmon. <

< After Sept. 11, sitcoms offered plenty of laughs. "Undeclared" centered on quirky college roommates faced with the freedoms of being away from home for the first time. The bewitching comedy, "Sabrina," conjured up strange changes as she became a college sophomore. "Gilmore Girls" explored the odd relationship between a mom with a heart of a teenager and a teenage daughter that acts like an adult. "Angel" used its dark humor to reveal the twists and turns of a vampire avenger in L.A. <

> NEW SITCOMS > "Scrubs" puts a wildly inventive and hilarious spin on hospital life. Instead of assaulting viewers with jokes, "Bernie Mac's" life unravels in unexpected, offbeat ways while he raises his sister's kids. Parenthood will never be the same.<

< As with everything else, it was a strange year for music. How else can you describe the success of the soundtrack "O Brother, Where Art Thou?" and Michael Jackson's less than "Invincible" return as the King of Pop? But that didn't stop 'N Sync, Britney Spears, Usher and the like from commanding the airwaves. Country music got a kick from Tim McGraw who was named CMA Entertainer of the Year, while ears couldn't get enough of newcomer Alicia Keys' "Songs In A Mirror." >

It was another blockbuster year in Hollywood. "Pearl Harbor's" stunning special effects were a big hit. Singer Mandy Moore teamed up with Shane West in a sweet, idealistic love story that brings out the young romantic in everyone. Speaking of true love, young and old fell head over heels for "Shrek." Also in the field of computer-generated optical illusion, "Final Fantasy" proved to be another artistic masterpiece. In contrast, Angelina Jolie brought the video game "Tomb Raider" to life, transforming into the tough archaeologist/adventurer Lara Croft. <

< What were the haute fashion trends? For starters, low-rise jeans were in. And credit Madonna for causing people to switch from the baseball cap to the tattered, straw cowboy hat. The look changed after Sept. 11. People showed their true colors with the return of Old Glory and by wearing "I Love NY" t-shirts. Winter Olympics

The world's best assembled to compete at Salt Lake City. New events included the skeleton, where athletes steered their sleds headfirst. Women's bobsleigh was also seen for the first time. Five events were even added to nordic combined and shortened from two-day to one-day races. Plus, the 1500-meter short-track speed skating was unveiled. In snowboarding, the giant slalom was replaced by the parallel giant slalom as snowboarders raced head-2-head in a single-elimination format.
